5. Sales playbook

Talking points for retail sales advisors and CS agents. Seeded from DAISY 31-Jan baseline + Shopify copy; edit via the admin override UI to replace the defaults.

Elevator pitch (30 seconds)

The Alyazia bag is a lightweight, spacious, and elegantly designed for everyday wear, effortlessly fitting all your essentials for work, outings, and beyond.

Best-fit personas

- The gift-giver: shopping for a milestone (birthday, engagement, Eid, graduation). Emphasise the signature wooden packaging and the sticker set.
- The self-purchase customer who rewards herself for a professional milestone. Emphasise longevity, pairing with existing jewellery, and care instructions.
- The returning customer expanding a set (already owns a Classic watch, considering a second piece). Emphasise cross-collection harmony and the upsell map below.
- The tourist buying a souvenir that says Emirates without feeling touristy. Emphasise the Barajeel/Khaleeji design language and shipping policies.

Upsell map (recommend with this collection)

- Cardholder Camel Leather
- Long Wallet Camel Leather
- Personalised initials service

Objection handlers

- **"It is expensive."** Anchor on the wooden gift box, the craftsmanship, and the warranty. Compare per-wear cost over 3 years. Offer the discovery set as an entry point for perfumes, or a smaller SKU within the collection for watches/jewellery.
- **"Can I get a discount?"** Minimalist rarely discounts outside the seasonal moments. Offer loyalty perks, the gift box upgrade, or a personalisation service at no extra cost where applicable.
- **"Is this authentic?"** Every piece has the Minimalist serial on the wooden box sticker, a harmonized code for customs, and a warranty card. All SKUs are registered against the Shopify master catalogue.
- **"Can I return it?"** Yes, within 14 days, unworn, in original packaging. Perfumes must be unsealed. Personalised items are final sale.
- **"Does it come with Arabic language care?"** Yes, all care cards ship bilingual. The PDP copy itself is published in Arabic and English, and the retail staff are trained in both.

Style and wear tips

- Break-in: the camel leather softens with wear over the first 2 weeks.
- Care: avoid direct sunlight and water. Condition lightly every 6 months.
- Personalisation: initials service is free on the first purchase of a wallet or bag.

Story-panel lift-out (use verbatim when closing)

Designed for all-day elegance, the Alyazia can be worn crossbody for hands-free ease or carried as a top handle for a polished look. Its spacious bucket-style interior ensures you have plenty of room for your daily essentials, while the inner pocket keeps smaller items organized.

- Finest Camel Leather resistant to scratches

Common SA mistakes (from past training audits)

- Quoting "waterproof" instead of the correct "water-resistant 3 ATM".
- Skipping the wooden box as a selling point; always open it during the demo.
- Offering discount language before trying a non-monetary close (personalisation, gift wrap).
- Forgetting to ask about initials/engraving until after payment.
- Not mentioning the 14-day return policy when the customer hesitates.
- Handing over without showing care instructions - always flip to the care card.
- Calling the collection by its SKU prefix instead of its product name.

Role-play script

Customer: I am looking for a gift for my wife's birthday. Something elegant, not too flashy.

SA: Congratulations in advance. May I ask roughly what she wears day to day - more minimal, or does she layer jewellery?

Customer: She is mostly minimal. But she loves small details.

SA: Then the **Alyazia** collection is a perfect fit. It is built around the idea of quiet luxury - clean lines, one hero detail per piece. Let me show you the signature piece...

SA (opens the wooden box): Notice the packaging. Every piece ships in this exact box with a set of exclusive stickers - part of the unboxing experience. After she sees it, you will get credit for it.

Customer: How much is it?

SA: The range starts at AED 2,050 to AED 10,850. For a birthday gift with this kind of presence, that is the sweet spot. And it is fully covered by our one-year warranty.

SA (closing): Would you like me to wrap it, or would she prefer to open the signature wooden box herself?

POS handling notes

- Always check if the customer wants initials before ringing up the sale.
- Offer the gift receipt option.
- For perfumes, check the seal before handover; never sell a broken seal.
- For watches, set the time on the watch before handing over when possible.
- For jewellery, use the black polishing cloth before the handover.
