Tab: Warranty

Your product will be protected by our 2 year international warranty.

MINIMALIST has a limited warranty that covers manufacturer's defects for two years after the original purchase date from an authorized dealer.

Basically, if the parts or mechanics don't work properly, and it's our fault, we will repair or replace your product for free. However, this does not cover any abuse you might put your product through on your own. The warranty does not cover water damage, normal wear and tear, batteries, accidental glass damage, scratches, strap damage, or theft. Proof of purchase is required for all warranty claims and service requests, so please keep your receipt. If you've purchased from our site, the order number will suffice; otherwise if you purchased via another authorized seller or retail location, you will need to contact them directly as they handle their own warranty claims, returns and exchanges.

5. Sales playbook

Talking points for retail sales advisors and CS agents. Seeded from DAISY 31-Jan baseline + Shopify copy; edit via the admin override UI to replace the defaults.

Elevator pitch (30 seconds)

The Symphony Collection is a graceful jewellery set designed for special occasions, combining hanging pearls and delicate sparkles to elevate your festive elegance with effortless charm.

Best-fit personas

- The gift-giver: shopping for a milestone (birthday, engagement, Eid, graduation). Emphasise the signature wooden packaging and the sticker set.
- The self-purchase customer who rewards herself for a professional milestone. Emphasise longevity, pairing with existing jewellery, and care instructions.
- The returning customer expanding a set (already owns a Classic watch, considering a second piece). Emphasise cross-collection harmony and the upsell map below.

- The tourist buying a souvenir that says Emirates without feeling touristy. Emphasise the Barajeel/Khaleeji design language and shipping policies.

Upsell map (recommend with this collection)

- Matching piece from the same set (ring + necklace + earrings)
- A watch from Charming Diamond for layered wrist styling
- Travel pouch for safe storage

Objection handlers

- **"It is expensive."** Anchor on the wooden gift box, the craftsmanship, and the warranty. Compare per-wear cost over 3 years. Offer the discovery set as an entry point for perfumes, or a smaller SKU within the collection for watches/jewellery.
- **"Can I get a discount?"** Minimalist rarely discounts outside the seasonal moments. Offer loyalty perks, the gift box upgrade, or a personalisation service at no extra cost where applicable.
- **"Is this authentic?"** Every piece has the Minimalist serial on the wooden box sticker, a harmonized code for customs, and a warranty card. All SKUs are registered against the Shopify master catalogue.
- **"Can I return it?"** Yes, within 14 days, unworn, in original packaging. Perfumes must be unsealed. Personalised items are final sale.
- **"Does it come with Arabic language care?"** Yes, all care cards ship bilingual. The PDP copy itself is published in Arabic and English, and the retail staff are trained in both.

Style and wear tips

- Layering: start with the collection bracelet, add a charm, then the matching necklace.
- Metal tone matching: stick to one tone when layering, mix only for a statement look.
- Storage: keep in the provided pouch; avoid humidity and perfume spray on the metal.

Story-panel lift-out (use verbatim when closing)

Designed to catch the light and every eye in the room, this set features hanging pearls, and a sparkling chain that adds luxurious dimension. The bracelet, necklace, and earrings move gracefully with you, creating a dynamic and refined look for Eid gatherings.

6. Training material

Used by the retail onboarding programme and the Day 2-6 training transcripts. Quiz answers live at the bottom of this section; print the quiz separately for SAs.

Key vocabulary

Key vocabulary

- **Setting** - How the stone is held: prong, bezel, channel, pave.

- **Tone** - Gold, rose gold, silver. Stick to one per outfit or commit to mixing.
- **Clasp** - The closing mechanism. Lobster or magnetic depending on SKU.
- **Stack** - Layering multiple bracelets or necklaces for visual rhythm.

Five things SAs must know before selling

- Lightweight & Comfortable for Daily Wear
- Design Inspired by Traditional Emirati Jewellery
- Hanging Pearls for Elegant Movement
- Sparkling Chain Design that Elevates your Look
- Hypoallergenic Materials for Sensitive Skin

Common SA mistakes (from past training audits)

- Quoting "waterproof" instead of the correct "water-resistant 3 ATM".
- Skipping the wooden box as a selling point; always open it during the demo.
- Offering discount language before trying a non-monetary close (personalisation, gift wrap).
- Forgetting to ask about initials/engraving until after payment.
- Not mentioning the 14-day return policy when the customer hesitates.
- Handing over without showing care instructions - always flip to the care card.
- Calling the collection by its SKU prefix instead of its product name.

Role-play script

Customer: I am looking for a gift for my wife's birthday. Something elegant, not too flashy.

SA: Congratulations in advance. May I ask roughly what she wears day to day - more minimal, or does she layer jewellery?

Customer: She is mostly minimal. But she loves small details.

SA: Then the **Symphony** collection is a perfect fit. It is built around the idea of quiet luxury - clean lines, one hero detail per piece. Let me show you the signature piece...

SA (opens the wooden box): Notice the packaging. Every piece ships in this exact box with a set of exclusive stickers - part of the unboxing experience. After she sees it, you will get credit for it.

Customer: How much is it?

SA: The range starts at AED 249 to AED 1,236. For a birthday gift with this kind of presence, that is the sweet spot. And it is fully covered by our one-year warranty.

SA (closing): Would you like me to wrap it, or would she prefer to open the signature wooden box herself?

POS handling notes

- Always check if the customer wants initials before ringing up the sale.
- Offer the gift receipt option.
- For perfumes, check the seal before handover; never sell a broken seal.
- For watches, set the time on the watch before handing over when possible.
- For jewellery, use the black polishing cloth before the handover.

Five-question quiz
