## 5. Sales playbook

Talking points for retail sales advisors and CS agents. Seeded from DAISY 31-Jan baseline + Shopify copy; edit via the admin override UI to replace the defaults.

### Elevator pitch (30 seconds)

The Necklace collection brings the signature Minimalist aesthetic into the other category with a focus on craftsmanship, everyday wearability, and gift-ready packaging.

## Best-fit personas

- The gift-giver: shopping for a milestone (birthday, engagement, Eid, graduation). Emphasise the signature wooden packaging and the sticker set.
- The self-purchase customer who rewards herself for a professional milestone. Emphasise longevity, pairing with existing jewellery, and care instructions.
- The returning customer expanding a set (already owns a Classic watch, considering a second piece). Emphasise cross-collection harmony and the upsell map below.
- The tourist buying a souvenir that says Emirates without feeling touristy. Emphasise the Barajeel/Khaleeji design language and shipping policies.

## Upsell map (recommend with this collection)

- Cross-sell within the same collection family
- Suggest the gift packaging upgrade
- Offer the discovery set as an add-on

## Objection handlers

- **"It is expensive."** Anchor on the wooden gift box, the craftsmanship, and the warranty. Compare per-wear cost over 3 years. Offer the discovery set as an entry point for perfumes, or a smaller SKU within the collection for watches/jewellery.
- **"Can I get a discount?"** Minimalist rarely discounts outside the seasonal moments. Offer loyalty perks, the gift box upgrade, or a personalisation service at no extra cost where applicable.
- **"Is this authentic?"** Every piece has the Minimalist serial on the wooden box sticker, a harmonized code for customs, and a warranty card. All SKUs are registered against the Shopify master catalogue.
- **"Can I return it?"** Yes, within 14 days, unworn, in original packaging. Perfumes must be unsealed. Personalised items are final sale.
- **"Does it come with Arabic language care?"** Yes, all care cards ship bilingual. The PDP copy itself is published in Arabic and English, and the retail staff are trained in both.

## Style and wear tips

- Category-specific style notes to be added by the retail team.

---

## 6. Training material

Used by the retail onboarding programme and the Day 2-6 training transcripts. Quiz answers live at the bottom of this section; print the quiz separately for SAs.

## Key vocabulary

## Key vocabulary

### Five things SAs must know before selling

- Collection talking point 1 (fill in via admin override UI).
- Collection talking point 2 (fill in via admin override UI).
- Collection talking point 3 (fill in via admin override UI).
- Collection talking point 4 (fill in via admin override UI).
- Collection talking point 5 (fill in via admin override UI).

### Common SA mistakes (from past training audits)

- Quoting "waterproof" instead of the correct "water-resistant 3 ATM".
- Skipping the wooden box as a selling point; always open it during the demo.
- Offering discount language before trying a non-monetary close (personalisation, gift wrap).
- Forgetting to ask about initials/engraving until after payment.
- Not mentioning the 14-day return policy when the customer hesitates.
- Handing over without showing care instructions - always flip to the care card.
- Calling the collection by its SKU prefix instead of its product name.

## Role-play script

**Customer:** I am looking for a gift for my wife's birthday. Something elegant, not too flashy.

**SA:** Congratulations in advance. May I ask roughly what she wears day to day - more minimal, or does she layer jewellery?

**Customer:** She is mostly minimal. But she loves small details.

**SA:** Then the **Necklace** collection is a perfect fit. It is built around the idea of quiet luxury - clean lines, one hero detail per piece. Let me show you the signature piece...

**SA** (opens the wooden box): Notice the packaging. Every piece ships in this exact box with a set of exclusive stickers - part of the unboxing experience. After she sees it, you will get credit for it.

**Customer:** How much is it?

**SA:** The range starts at AED 420 to AED 449. For a birthday gift with this kind of presence, that is the sweet spot. And it is fully covered by our one-year warranty.

**SA** (closing): Would you like me to wrap it, or would she prefer to open the signature wooden box herself?

## POS handling notes

- Always check if the customer wants initials before ringing up the sale.
